

# The Business Development Group

(Since - 1986)

This is an invitation to attend our next meeting.....

.....free!

.....as our guest!

---

## What we cover:

- Networking
- Discussions on "biz-dev" issues brought up by members and guests with solutions offered
- Powerful "behavioral insights" to help you truly understand what is happening in meetings with important prospective clients
- Dialogue on penetrating issues pertaining to business and life that "you will not hear discussed elsewhere".....at any meetings!!

## Why our group is different:

- We cover extremely important issues that bypass the focus of other groups
- We cover not only specific techniques pertaining to "biz-dev" issues but also deal with the empowerment of the "total human dimension"
- We offer a unique phone service at no extra charge
- We have a membership package at an extremely affordable price
- We have "complete" in-house consulting packages not offered by others

This invitation will allow you to **join us as our guest** for ONE meeting to see if you also will have a unique and powerful experience. It will enable you to NETWORK amongst a talented and diverse cast of participants, experience what we do and find out for yourself why we have been called "one of the most unusual groups in the country!"

**Please go to our website for: Date of our next meeting - time of day - facility and directions + details on the topic for meeting.**
